

VIRTUAL.MEDICA & COMPAMED 2020

16 – 19th November 2020

The Confederation of Danish Industry, Danish.Care and Danish Export - Health Tech invites you and your company to partake in the exhibition at Virtual.Medica & Compamed 2020. An opportunity, which will guarantee promotion of your company at this year's leading online and virtual medical technology fair, at an extremely favorable price.

Medica & Compamed are the world's foremost fairs regarding the medical technology industry and the medical supplier industry. Here one can experience high-tech products, solutions and expertise while also connecting with the world's top medical technology market leaders. With participants from all over the world, the fair has become the world forum for the medical technology industry.

Virtual.Medica & Compamed 2020 offers a virtual global platform that provides an exhibition space, a networking plaza and a conference area. Moreover, a digital showroom at the digital exhibitor database that includes company portraits, informative product videos, descriptions and interactive web sessions. Read more on the next page, about the virtual platform specifics.

The price of participating in the online fair, without the support of the organizing team, will cost you approximately DKK 26.500. However, in the shadow of COVID-19, the organizing team is proud to offer the entire Medica/Compamed exhibitor package for an advantageous price of only DKK 9.900 with co-financing from the Trade Council of Denmark. Moreover, within the price, you will also receive guidance from the organizing team throughout the entire process of Medica & Compamed 2020.
